2. An animal shipped by railway from any point in Western Canada, and duly entered for an event, should be billed to the exhibition thereof at Edmonton in care of the Association, at the full single rate for such animal, and if such animal does not change ownership and a certificate thereto is obtained from the Manager, the railway transporting such animal to the Show will return the same free to the starting point.

4. An Exhibitor should bill each animal to the "Edmonton Exhibition Grounds" instead of to Edmonton, in order to save delay in switching.

5. The Association undertakes to pay all local switching charges.

said shall set out in such form all the particulars relating to the event and to the animal being entered as is called for therein, and shall also at the same time or at any time thereafter produce such proof in support of the truth of such particulars as the Manager shall require.

8. The Association will not accept a conditional entry, or one that has been mailed or is postmarked or tendered after the date and hour of closing for entries, as set out in Clause 6 hereof, provided that the Executive Committee may extend the time for entry to be made in any event.

9. Unless otherwise stipulated in the published conditions, and except for special prizes, no animal, except a horse or pony shown in harness or under the saddle, shall be shown or exhibited in more than one event and no animal not having been awarded a first or second prize can be shown or exhibited for a championship event.

MEASUREMENT

12. Horses and Ponies shall be measured by such persons as the Executive Committee appoints, in the shoes in which such horses and ponies come on the premises of the Association, and such measurement shall be taken as correct, unless the judge of the event in which such horses or ponies are entered shall direct re-measurements to be made by some veterinarian appointed by the Executive Committee, and the result of such re-measurement shall be accepted by the Exhibitor as conclusive proof thereof; and in case such re-measurement shows that such horses or ponies were not qualified for entry in the event in which the same had been entered, then such Exhibitor and such horses and ponies shall not be entitled to any award; provided that the above disqualification shall not apply to cases where only one horse or pony of a pair or two of a four-horse-team, or three of a six-horse-team shown or exhibited in a subdivision of a horse or pony event does not exceed half an inch under, or half an inch over, the height prescribed by the published conditions for such subdivided event in which such pair is entered, but this proviso shall not qualify any horse or pony that is not within the qualifications prescribed hereby or by such published conditions, for any single harness horse or pony event for which said horse or pony is not properly qualified.

15. Every animal shall be shown uncovered, and in such manner as the Judges may require.

PARADES

16. A feature of the Show of special interest and educational value will be the stock parades, at times and places to be designated by the management. Every animal shall be produced by the Exhibitor thereof at such times and at such places, and for such purposes, and shown, exhibited or paraded for such time and in such manner as the Manager or Judge shall direct, and any refusal of such Exhibitor to obey such directions shall be construed as cause for such Manager or Judge to exercise the like powers which are hereby vested in such Manager or Judge as are vested in the Directors by Clause 17 hereof.

19. Every animal entered or offered for entry in any event shall be subject to such examinations at such times and places and by such veterinarians as the Manager appoints.

20. Where the total number of exhibitors in any event is less than three the Executive Committee shall be at liberty to amalgamate such event with any other event of the like character; and where there is only one exhibitor in an event, or where the Judge is of the opinion that the animals exhibited do not justify an award, such Judge may withhold the awarding of any award for the same.

21. The Judge of any event may, if he deems it necessary in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such Judge may, if of the opinion that any horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing or exhibiting in such or any other event.

GOPHERS LIKE "GOPHERCIDE"

They don't taste the powerful strychnine poison in it. Our chemists have succeeded in making a soluble strychnine which dissolves freely in water, without using vinegar or acids. The bitter strychnine taste is hidden; so that gophers readily eat grain soaked in "Gophercide." That's the end of the gophers; because grain poisoned with "Gophercide" can be left exposed to the weather for days and still retain its deadliness, as the poison has penetrated through and through the wheat. Some poisons do not penetrate and are easily washed off, leaving the wheat harmless.

**Whole townships have been cleared
of gophers with "Gophercide."**

Every care will be exercised by the Management to prevent injury to or loss of property and to insure the prompt collection and delivery of animals at the proper destination, but the Association acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur, nor for any stock mis-sent, whether through negligence on the part of its officers or servants or not.

RISKS

34. Every contributor shall be deemed to be in full charge of and responsible for, and the Association shall not be liable for any loss to any animal or for injury or damage thereto, from the time that such animal is delivered thereon, and every animal on the premises of the Association shall be deemed to have been placed thereon at the risk of the contributor, and the same shall remain at the risk of the contributor until the animal is sold, when the same shall remain on such premises at the risk of the purchaser, and in either case the Association shall not be liable for the loss of any such animal or for injury or damage thereto, notwithstanding such loss, injury or damage arises through or by the negligence of the Association or any of its officers, servants or agents. Insurance against loss by fire should be taken out by owner if thought advisable.

36. At the 1920 sale, breeds will be sold in the following order: Hereford, Shorthorn, Aberdeen Angus, Red Polled, Holstein, Jerseys, Ayrshire. The sale to be conducted as follows: 1st, 18 months and under 24 months; and, 24 months and under 36 months; 3rd, under 18 months; 4th, over 36 months.

CONDITIONS TO PURCHASERS

37. The purchase price on any sale must be paid within one-half hour of the sale of the animal sold, and if any purchaser fails to so pay such purchase price, the Committee of Management shall have power to resell such animal not paid for in such manner, and at such times as such Committee of Management deems best, and in the event of any loss arising from such resale, the purchaser making default herein contemplated shall pay to the Association the amount of such loss, together with such expenses as the Association may be put to therefrom.

38. The purchaser of an animal shall not be entitled to have the same delivered to him until payment in full has been made therefor and an order signed by the Secretary for the delivery of such animal to such purchaser has been presented to and left with the Stable Superintendent, together with a receipt for such animal duly signed by the purchaser.

39. If any dispute arises between two or more bidders, such dispute shall be settled by the auctioneer, whose decision shall be final, provided that the auctioneer may refuse to decide such dispute, and in such case the auctioneer shall be at liberty to declare all bids off, and

shall thereupon offer for re-sale the animal over which such dispute arose.

40. The seller is the responsible party for all representations which the Committee of Management in no way guarantees, but will endeavor to have correct. The owner's statement is the owner's responsibility. In case typographical or other errors are discovered, the auctioneer will announce them, and a memorandum of such corrections shall take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to the auctioneer's announcements.

41. Purchasers must take charge of any bull purchased and shipped as soon as the Association car reaches the destination of such animals. Animals not to be shipped by rail must be taken care of by the purchaser immediately after the sale.

Baled hay and straw will be sold on the grounds. Stabling and water supplied free. Sellers or their agents will be required to take charge of their animals immediately upon arrival at point of sale, have the animals brought to the grounds, remain in attendance upon them until and including the last day of the sale, and, subject to the directions of the Secretary, be responsible for their delivery into the hands of the proper purchaser at point of sale.

45. The Association will take charge of all animals to be shipped by rail on the morning after the sale, and will feed, water and load the animals on the cars, but the seller must water and feed his entries the evening of the last day of the sale, the Association taking charge next morning, but it is distinctly understood that the risk will remain with the purchaser, who may perform this service if he wishes.

46. The Association will pay the freight from Edmonton on animals purchased at the sale to the purchaser's nearest railway station in Alberta, Saskatchewan, and British Columbia, mainland points on the following basis: Points not over 50 miles by rail, \$4.00 per head, points between 50 and 100 miles \$5.00, points between 100 and 200 miles \$6.00, points between 200 and 350 miles \$8.00 per head, and one dollar per head for each additional 50 miles or fraction thereof.

18. After payment and delivery of the animal is made, the purchaser assumes full ownership, together with all risks, and no statement or warranty of seller may then be challenged. Purchasers assume all expense on animals incurred after the daily purchase.

19. All purchases must be settled for through the Secretary of the Association by cash or marked cheque within one-half hour of the sale of the animal. If any purchaser fails to settle for his purchase as stated the Committee of Management reserve full power to re-sell the animal to the best advantage, either publicly or privately without further intimation, and the defaulter shall be liable to the seller for any loss arising from such re-sale, together with keep and all other expenses.
